

Advising Veterans & Nontraditional Students at UND

Presented by: Jessica Rosencrans

Overview

- ❖ Office Role
- ❖ Instructor Communication
- ❖ Advising Students
- ❖ Online Information
- ❖ Student Panel

Role of the Office

School Certifying
Officials:
Carol Anson and
Lynn Lee, from
Career Services.

What do we do?

- Process VA financial aid for military students, their spouse, and/or dependents.
- Assist with documentation for TA, the ND state rate, and Enroll Anytime courses.
- Sponsor programs and outreach for veteran and nontraditional students.
- Provide advising support for academics and financial aid.

Here's the breakdown

- Tuition Assistance (TA) – is \$250 per credit, non-transferrable.
- In-State Rate – this will grant the North Dakota tuition rate to any veteran, military spouse or dependent.
- Certification – Using your VA education benefits to pay for your tuition and fees. Transferrable to a spouse and/or dependent(s).

Instructor Communication

How should we work with this student group?

Be mindful of your audience!

All of these students appreciate clear, prompt feedback regarding grades, emails, etc.

Veterans:

- May sit in the back of the room.
- Start and end on time; class, meetings, etc.
- Do not get to select their active duty time (drill weekends) or VA appointment dates.

Nontraditional Students:

- They may only have set hours of the day for school.
- They don't always want to be the group leader.

Advising Students

What steps should military students follow?

- ☐ Visit with their academic advisor to select courses and fill out their status sheet.
- ☐ Register for classes.
- ☐ Complete the online Education Benefits form to get certified at UND*.
- ☐ Submit their advisement/status sheet electronically.
- ☐ Notify our office if they change their schedule.

*The online form should be completed before:

November 30 for spring semester

April 30 for summer and/or fall semesters

Two of the following:

Avit 402 Airport Planning & Admin. 3 _____
 Avit 405 Airline Operations & Mgmt. 3 _____
 Avit 407 General Avit Operations & Mgmt. 3 _____

Electives as needed to meet Graduation Requirements

Note: The Aviation Faculty highly recommends that Aviation Students graduating with the Commercial Aviation major take upper level aviation electives to further develop their expertise in the aviation discipline.

The VA will NOT certify a student if they are not enrolled.

The VA will only pay for courses that count towards a degree.

Items to Note

- Classes can only be certified if they are required for the students UND degree.
 - Recommended courses are not covered.
 - Remedial courses cannot be taken online.
- Nov 30 & Apr 30: Target date to register for classes and sign up for certification (VA takes 6–8 weeks to pay).
- The VA will not pay for students to retake a course that they have passed.
- If schedules changes, the student must notify our office. The change may affect their financial aid.
